

### **Remarks**

Claims 1-4 and 6-50 are in the application, of which claims 1 and 33 are in independent form. Claim 5 is cancelled and claims 1, 2, 4, 6-9, 12-18, 24-30, 33-43, and 45-48 are amended.

The Examiner allowed claims 33-50 in the final Office action. Claims 33-43 and 45-48 are amended to recast the means-plus-function limitations to recitations of limitations to which the interpretation standard of 35 U.S.C. § 112, paragraph 6, does not apply; to correct perceived possible antecedent basis issues; and to remove possible ambiguities.

In the final Office action, the Examiner objected to claims 5, 6, and 16-23 as being dependent on rejected claim 1, but indicated that these claims would be allowable if rewritten in independent form. According to the Examiner's suggestion, claim 1 is amended to incorporate the allowable features of claim 5. Moreover, claims 1, 2, 4, 6-9, 12-18, and 24-30 are amended to recast the means-plus-function limitations to recitations of limitations to which the interpretation standard of 35 U.S.C. § 112, paragraph 6, does not apply; to correct perceived possible antecedent basis issues; and to remove possible ambiguities.

Entry of this Amendment is proper under 37 C.F.R. § 1.116 since the amendment places the application in condition for allowance and does not raise any new issues requiring further search or consideration. Entry of this amendment is, therefore, respectfully requested.
